U.

VAC

- V** Has two powers, expressed in modern English by two characters, *V* consonant and *U* vowel, which ought to be considered as two letters; but as they were long confounded while the two uses were annexed to one form, the old custom still continues to be followed.
- U*, the vowel, has two sounds; one clear, expressed at other times by *eu*, as *obtusé*; the other close, and approaching to the Italian *u*, or English *oo*, as *obtusud*.
- V*, the consonant, has a sound nearly approaching to those of *b* and *f*. With *b* it is by the Spaniards and Gascons always confounded, and in the Runick alphabet is expressed by the same character with *f*, distinguished only by a diacritical point. Its sound in English is uniform. It is never mute.
- VACANCY. *n. f.* [from *vacant*.]
